WRIT PETITION No.19508 OF 2005

–

O R D E R:

The petitioner is a College of Nursing established during the academic year 2003-2004 with an intake of 40 students in the Course of B.Sc.(Nursing). It applied to the authorities concerned for enhancing the strength. In response to the application, the Indian Nursing Council,
New Delhi, is said to have visited the premises and submitted a report dated 05-05-2005 certifying that the petitioner institution possesses infrastructure for imparting education to 60 students. The grievance of the petitioner is that the first respondent has not passed any order enhancing the intake and therefore, seeks appropriate directions in this regard.

Heard the learned counsel for the petitioner and the learned Government Pleader for Medical and Health.

A perusal of the report dated 05-05-2005, said to have been issued by the Indian Nursing Council, New Delhi, discloses that the petitioner institution was found to be possessing infrastructure for 60 students. This certification would enable the first respondent to consider the feasibility of enhancing the strength. Though the petitioner states that a representation was made in this regard, a copy of the same is not filed before this Court. Therefore, the first respondent cannot be found fault with. The petitioner can submit an appropriate representation in this regard. As and when such representation is made, the first respondent shall pass appropriate orders, within a period of four weeks from the date of submission. In case, any order is passed enhancing the strength before the counselling or allotment of students to the colleges is concluded, necessary steps, in that regard, shall also be taken.

The writ petition is accordingly disposed of.
